

To America:

This is a joke right? You aren't seriously thinking about airing on Television and Radio, swear words, and showing nudity on television? There is already enough garbage around 24/7 without you airing more of it. I am an avid movie and sports fan and I don't want to see or hear garbage at alone my children. Wake up people. You have plenty of opportunities to see and hear whatever you want in movies and on the internet don't show this garbage on national TV. Lots of people don't want to be exposed to this stuff. Keep the garbage out.

Thank you.
